Section 6 Ch. 40A - Finding ()
Site Plan Review ()

After a public hearing held on:

Wednesday, June 22, 2011

The Board of Appeals Voted: to grant Variance to Section 5.4.4 (Minimum side yard setback from property line:) allowing the placement of an 8' x 12' storage shed up to the northwest side property line. The shed is to be located along the line between the abutters building and the applicants building.

The board finds that the extreme narrowness of the lot and the existence on the abutting building in such close proximity to the same lot line is a specific hardship.

Stipulation: The shed shall be constructed on skids.
