The hearing is in response to an application for a demolition permit from AOW Construction, LLC, on behalf of Trinity Health Care of New England. The permit requests permission to demolish the entire Farren Care Center, at 330-340 Montague City Road, including ancillary structures.

In accordance with the Historic Preservation Demolition Delay ByLaw of the Town of Montague, the Montague Historical Commission will hold a public hearing to consider whether or not The Farren Care Center aka Farren Memorial Hospital, a state-recognized building of significance be Preferably Preserved.

In accordance with the Demolition Delay ByLaw, the Montague Historical Commission may impose at this hearing a delay in demolition for a period not longer than 12 months should a majority of the Commissioners vote that the Farren Care Center be preferably preserved.

Public comment at the hearing is invited. Additionally, comments may be submitted to the Historical Commission at Town Hall at any time prior to the hearing. An agenda will be posted prior to the meeting with information regarding remote information.

David Brule, Chair

This hearing of the Montague Historical Commission will be held in-person at the location provided on this notice. Members of the public are welcome to attend this in-person meeting. Please note that while an option for remote attendance and/or participation is being provided as a courtesy to the public, the meeting/hearing will not be suspended or terminated if technological problems interrupt the virtual broadcast. Members of the public with particular interest should make plans for in-person vs. virtual attendance accordingly.
